

Product Data Sheet

20 Cu. Ft. Ultra Elite Series Flammable Material Storage Refrigerator

LHE-20-RFP

Images

Product Description

Flammable storage refrigerators meet the requirements of NFPA 45 and NFPA 30 for cold storage of flammable and combustible materials in unclassified laboratory locations. Utilizes non-sparking and/or ATEX rated components to ensure an intrinsically safe interior for flammable materials in sealed containers. These units feature temperature alarms, keyed door locks, interior shelving, probe access, and microprocessor temperature control.

Our Ultra Elite Series refrigerators include premium additions such as extensive alarm systems and digital touch pad displays. All units run on natural, hydrocarbon refrigerant for environmental health and energy efficiency.

Certification

Storage capacity (cu. ft) 20 Door Solid, right hinged, magnetic door gasket for positive seal Shelves 5 Adjustable (4 full plus half shelf) Freezer Compartments Non-applicable Baskets Non-applicable Baskets Non-applicable Baskets Non-applicable Interior lighting Non-applicable Airflow management Forced draft circulation External probe access Rear wall port [3/4"] dia. Refrigeration System

Refrigerant R600a Defrost Cycle

Controller, Configuration, Alarms and Monitoring Controller technology Microprocessor tem

Controller technology Microprocessor temperature controller with digital temperature display, °C/°F switchable

Display technology Bi-Colored LED display and alarm module with .1°C resolution, touchpad controls, resettable 1-point min/max history

Adjustable Temperature Range 1°C to 10°C

External alarm connection State switching remote alarm contacts

Alarms Audible and visual high and low temperature alarms, sensor error alarm, power failure alarm, alarm validation (audible, visual, and remote alarm), and alarm mute with ring back

Controller probe 2 Probes; 1 in air and 1 in sample bottle

Disclaimers These units are NOT designed for use in environments where volatile/explosive conditions could potentially exist

Indoor use only, +18°C to +26°C (+65°F to +78°F), <70% RH
