

Start Your Lab The Right Way With a CytoFLEX Cytometer

LABRepCo

The Freedom to Choose

High Performance Flow Cytometry

The CytoFLEX Flow Cytometer delivers advanced detection innovations that provide outstanding sensitivity, housed in a compact bench-top instrument that's easy to learn and use. The CytoFLEX Platform is available in more than 60 different configurations and is easily upgradeable to address future research needs.

- Avalanche Photodiodes
- Wavelength Division Multiplexing
- Simplified compensation procedure
- Minimal training required for most operators

Buy a basic configured CytoFLEX Flow Cytometer from LabRepCo for \$56,000 (USD)* and choose your upgrades later as needed.

*Price includes Service Installation
